PENNANT FINAL

Monday 5th May

The pennant finalists are the first five groups off the 1st, 6th and 10th tees, playing in club pairs except where cart sharing has caused rearrangements.

R after the club name means Nominated Reserve.

X indicates Extra player not playing in a team for the championship.

There is one group of three players which leaves room for a late entry as well as unused tee times which indicates the maximum number of players the course can accommodate.

H cart indicates a Huntly hire cart.

Own transport has been indicated if known.
